

## **MEMORIES & DREAMS**

**DIANNE LINDSAY**

INDEPENDENT

*Memories & Dreams* is the great debut CD from the sweet easy-listening voice of **DIANNE LINDSAY**. Now why does she sound so familiar? Oh yes! Dianne is the eldest daughter of country legends **REG LINDSAY** and **HEATHER MCKEAN** (and yes, niece of the great **SLIM DUSTY**.) Dianne has all the charm that her heritage promises. (Much like cousin **ANNE KIRKPATRICK**, but without the vibrato.) Dianne has taken many tracks from the family repertoire, including the title inspiration *Beautiful Memories & Beautiful Dreams* by Dad Reg and *Local Mary Magdalene* by Aunty **JOY MCKEAN**, as well as *Bushland Sweetheart* (Reg) is absolutely lovely. Dianne is quite an accomplished songwriter herself, with the sweet sad *Teardrops On The River*, reminiscences of the past in *Old Brown Guitar Case* and the mother's prayer *18 Years Of Age Today*. Once again, **MARC LEA** is responsible for producing a fabulous album; but Dianne, why did we have to wait so long?
